

Stay on top of COVID-19

COVID-19 is like every other work site safety issue – know the rules and follow the rules.

-  2021 COVIDSafe rules are the new normal.
-  Check on your workmates, being COVIDSafe is everyone's responsibility.
-  Keep your mask with you at all times.
-  Be COVIDSafe all the time, not just at work. Safety doesn't stop when you leave the site.
-  Being COVIDSafe keeps your family safe and you safe at work.
-  If you feel sick, stay at home. Get tested, isolate at home. It's the right thing to do.
-  Make sure you follow the rules, and if you don't know the rules, ask.

We are all in this together.
